

Quality Assurance

The Kitemark

The Kitemark is a registered trademark owned by British Standards Institution and may only be used by manufacturers who are approved licencees and whose products fully comply with the individual product standards.

Annual product audits and regular surveillance visits by BSI ensure continuing compliance with specification requirements and confirm acceptable Quality Systems to BS EN ISO 9000.

Firm of Assessed Capability

BS EN/ISO 9000 is the reference Standard for Quality Systems.

Hattersley is a Registered Firm of Assessed Capability with the Ormskirk manufacturing site complying with the requirements.

WRc Evaluation and Testing Centre

The WRc Evaluation and Testing Centre is responsible for the Water Regulations Advisory Scheme, with testing and approval of water fittings meeting the requirements of the United Kingdom Water Regulations/Bylaws (Scotland).

Valves for use in public water supply systems and domestic situations must not contravene the United Kingdom Water Regulations. Valves which are designated WRAS Approved Product and listed in the Water Fittings and Materials Directory will not contravene those bylaws.

Many Hattersley valves have been tested and certified as being WRAS Approved Products and are listed in the Water Fittings and Materials Directory.
